INCOSE President-Elect Candidates Present Their Position Statements

Please join me on Wednesday 21 October 2009 from 11am-12pm EDT for the next INCOSE webinar. The candidates for President Elect will be available in a moderated forum to discuss their responses to issues facing INCOSE as we move forward. The Candidates are Bill Mackey, Art Pyster and John Thomas. Ginny Lentz, INCOSE Past President and Chair of the Nominations and Elections Committee will moderate the discussion.

Questions are now being elicited from the membership. You may submit your questions directly to the Committee by sending them to vlentz1@nc.rr.com or to your chapter President, Member Board Representative or Technical Board Committee Chairs and Directors.

The Nominations and Elections Committee will analyze submitted questions for frequency of occurrence and prioritize accordingly for presentation to the candidates. Questions may be paraphrased to represent multiple submissions. Some or all of the questions from the Webinar attendees will also be addressed (time and number of questions permitting). All questions submitted will be made available to the candidates and the INCOSE Board of Directors following the webinar as a means of providing feedback about members' concerns.

Each candidate will have an opportunity to respond to each question. There will be a time limit for responses.

This is the first time the membership has had this type of opportunity to get to know the candidates for President Elect and their positions on important issues prior to the election.
